NARRATIVE

On 11/06/2014 at about 1946 hours (all times approximate) I was dispatched by police radio to a hit and run vehicle collision that had occurred 15 minutes ago at the intersection of Lundeen Parkway and 101st Ave NE in the city of Lake Stevens.

Arriving on scene I contacted the reporting party, manager of Norms Market Brian, who informed me a teenage boy named Carter Hathaway had struck the fence by the espresso stand (causing damage), then dropped off his female passenger (Leveque-Dick) who resides at 2331 101st Ave NE and left the scene without giving any information. All information provided was from Leveque-Dick. Brian claimed Hathaway had been driving a small Ford pickup (R10 type) with a side mirror missing. Brian indicated all he wanted to do was get the property damage repaired (wood fencing) and was not intending on pursuing criminal charges of hit and run on Hathaway.

Dispatch located a Carter Hathaway, being 16 years of age, who resides in Marysville. I went to Hathaway's residence where I located U1 (#C59584B); having damage to the passenger side of the pickup; missing the passenger door side mirror.

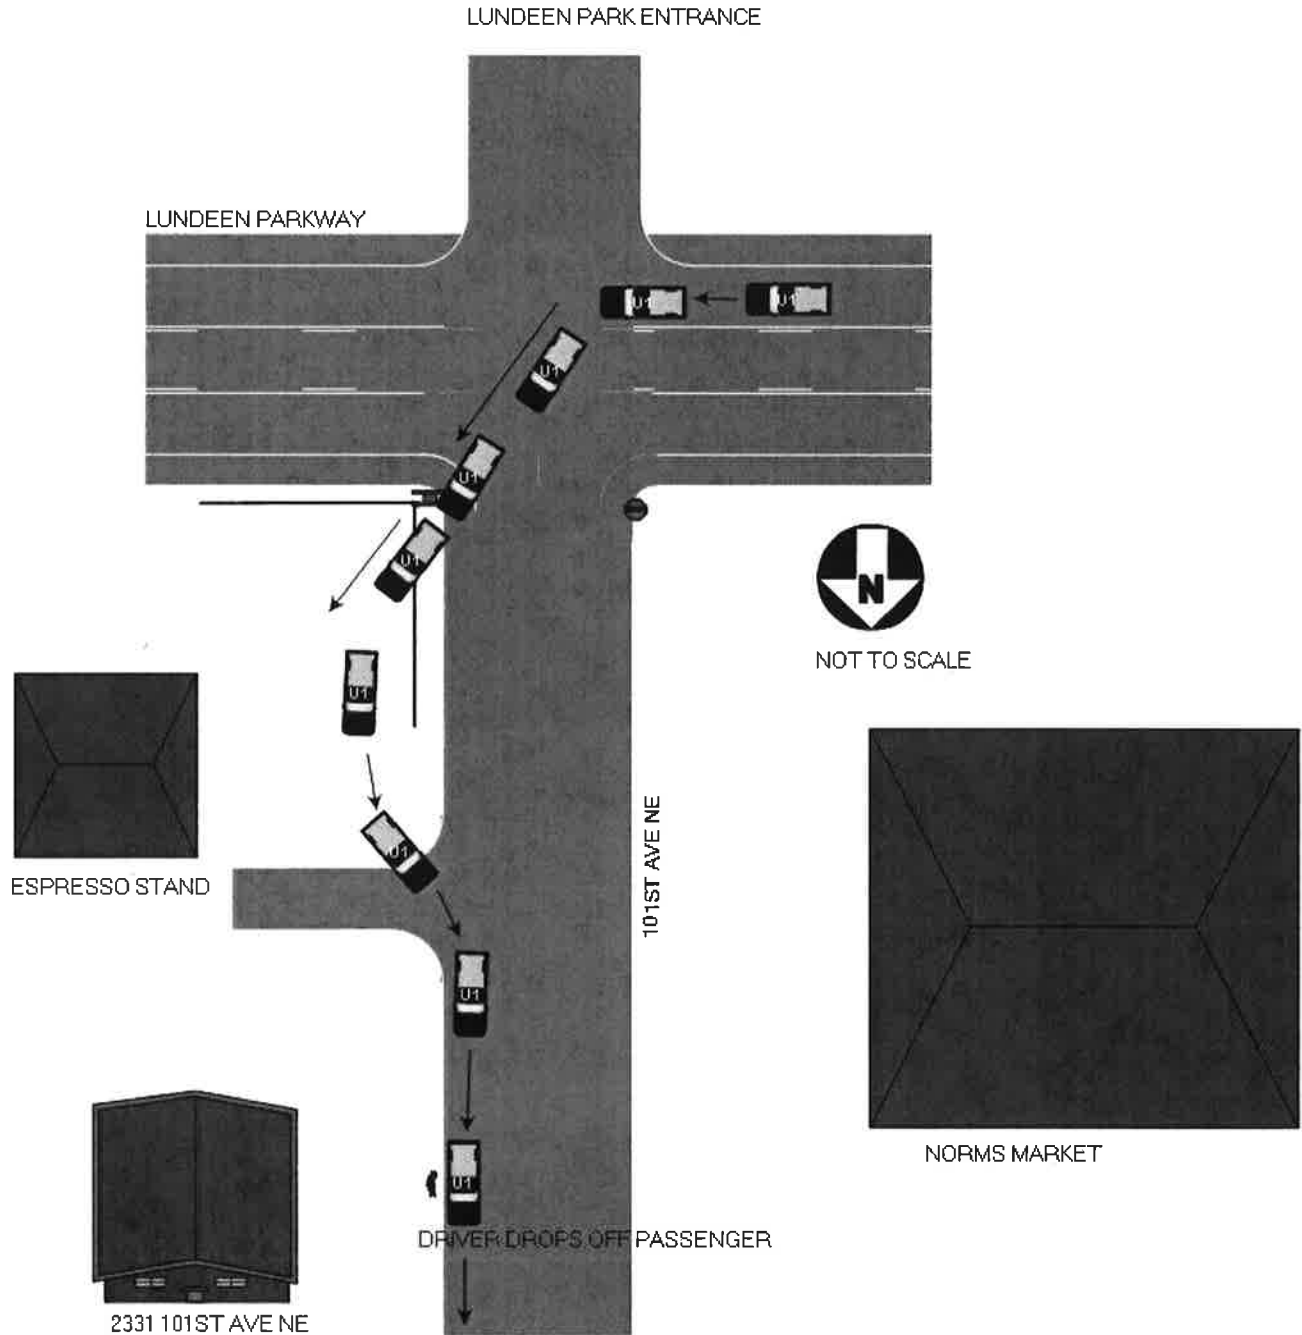

As I approached the residence a teen male exited the home declaring to me that he was the one who had done it. The male was identified to be Carter Hathaway DOB 1998. Hathaway claimed he had gotten scared, did not know what to do so he left the scene. Hathaway claimed he was going to go back tomorrow and repair the damages.

At the time of my contact with Hathaway his parents were not home. I gave Hathaway my business card, with the case report number and asked Hathaway to have his parents call me when they get home (around 2100 hours). Before I left the scene I took several digital images of U1.

I returned to the scene of the collision and took digital images of the damaged property (fence/telephone pole mark).

I also talked with passenger Leveque-Dick who indicated U1 had missed the left center turn lane and attempted to make the left turn from the eastbound lane of Lundeen Parkway onto northbound 101st Ave NE. Leveque-Dick indicated U1 had been traveling too fast and slid off the roadway, through the fence, against the telephone pole (taking the side mirror off) and continued through the planter bed to the paved driveway of the espresso stand. Leveque-Dick claimed Hathaway continued to her house (next door), stopped to drop off her off and stated he was leaving. Leveque-Dick indicated Hathaway was in such a hurry to leave he almost left before she was able to get her belongings out of his vehicle. Leveque-Dick indicated Hathaway has taken her home before and she has seen others riding with Hathaway. Leveque-Dick indicated she thought maybe the collision was a result of U1 having bad tires because Hathaway had stated to Leveque-Dick that he "drifts".

It should be noted when I observed U1 I noted U1 had good tire tread; digital images taken of tires. Around 2140 hours I was dispatched by police radio to contact Jess Hathaway (father of the driver and registered owner of U1). Jefferey Hathaway indicated his son had told him what had happened and that they had already driven by the collision scene to see what kind of damages they were "looking at". I informed Jefferey that the store manager was only looking to get the damage repaired; keeping the collision civil and not criminal. I provided Jefferey with Brian's contact phone number and also informed him that I would be citing his son Carter Hathaway for speed too fast for conditions resulting in a collision and for violating his intermediate driver's license by having Leveque-Dick (who is under 20 years of age and being a friend) in his vehicle while having restrictions on his intermediate driver's license.
